---------------------------------------------------------------------------------------------------	-----	----

KEEP ATTENDANCE ON THE UP-AND-UP

With Telecorp's System 606, your school's computerized truant officer.

Keep your school's attendance on the up-and-up, and reap the rewards for doing so. With Telecorp's innovative System 606, the automatic dialing computer that helps your school keep track of the pack.

This powerful truancy tool can actually carry on two-way conversations over the phone, notifying parents of absent or tardy students. Simply input the series of telephone numbers you wish to contact and System 606 does the rest... automatically. The computer contacts each home with a custom designed message, notifying parents of each absence and recording parents' responses. And the computer can be programmed for repeat attempts for "no-answers" and busy signals. It's the quickest, easiest way to keep attendance in check.

System 606 is easy-to-use and cost-effective. And it's so efficient it can raise your school's attendance level dramatically. An increase that could bring your school a bonus of benefits.

So put Telecorp's computerized truant officer to work for your school today. Keep attendance on the up-and-up with System 606, the most advanced automatic dialing computer available.

GIVE YOUR HANDICAPPED STUDENTS TOTAL CLASSROOM ACCESS WITH A HIRO-LIFT . . .

. . . THE LOWER COST ALTERNATIVE TO AN EXPENSIVE VERTICAL ELEVATOR. FITS STRAIGHT OR CURVED STAIRWAYS.

HIRO-LIFT is an exclusive self locking worm-segment drive stairwell wheelchair lift with a 3-dimensional track that carries a person in a wheelchair on a platform, and negotiates a straight OR curved stairwell. Costing much less than a conventional vertical elevator, it is also easy to maintain, and is quality engineered to give long life expectancy with negligible mechanical wear. Ideal for public building use, it can traverse multiple landings with a single unit and needs little or no building modification. HIRO-LIFT is complete with a manual emergency operation to a lower landing. See how you too can save dollars and satisfy handicapped access to your buildings. Call or write:

Subject to local codes.

HIRO-LIFT CVC MOBILITY DIVISION
10 S. 123 NORMAN TOWN ROAD
NAPERVILLE, ILL. 60565 - PH. [312] 898-8200

YOUR BUSINESS IS OUR BUSINESS

DMS has the computer systems you need — plus a full support team of professionals — to help you manage your school district efficiently and economically.

TAILORED TO FIT YOUR NEEDS TODAY — AND TOMORROW

Our fully supported systems and services are available in several modes — service bureau, time sharing terminals and printers located in your office, or in - house computers. Our low - cost monthly rentals eliminate the need for long - term capital commitments and permit easy upgrading of equipment to meet your needs tomorrow.

MANAGEMENT SYSTEMS THAT PERFORM

- Budgetary Accounting
- Cash Receipts
- Payroll
- Payroll Distribution
- Employee Information
- Student Attendance
- Word Processing

To learn how we can save you time, work and money, call or write Phil Holt, Director of Marketing, today.
